7 GREAT WAYS

TO MAKE YOUR OFFICE SPACE STAND OUT!

Long hours in the office shouldn't be short on style! Some creative or thoughtful touches here and there can inspire creativity in workers, enhance comfort and impress visitors. Here are 10 ideas:

1

MAKE A GREAT FIRST IMPRESSION.

A logo may look good in two dimensions (i.e., flat), but it will almost always look better when reproduced in 3D.

REFLECT YOUR GOOD TASTE WITH MIRRORS.

2

When mounted next to your wall graphics, mirrors enhance their visual impact.

3

CALL ATTENTION TO FOCUS WALLS

Use vinyl graphics, full-wall murals and/or signs on otherwise drab walls to showcase your company's heritage, mission or industry.

4

HANG A FEW BULLETIN BOARDS.

They're a neat way for your team to post news on recent accomplishments, club meetings and more! So, who wants to buy some girl scout cookies?

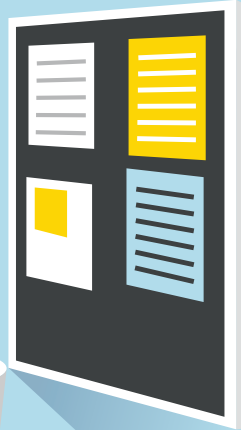

5

GIVE YOUR GREEN THUMB THE GREEN LIGHT!

Add plants to add more than a touch of color. They'll improve air quality and relieve the eye from the straight lines in interior spaces.

YOUR LOGO

PUT WINDOW FILMS TO WORK.

6

Translucent sheets of etched vinyl bring life to logos or other designs on interior glass. You'll also shield offices or conference rooms from lingering gazes.

7

POST A QUOTE FOR INSPIRATION.

It's easy to do with vinyl letters. Go with a quote from a company founder. Or, motivate with a lighter approach: "You did not wake up to be mediocre!"
